

Urgent Timing and Funding Strategy

Target Dining Hall construction for the 2023 camp season. The following strategy is being pursued.

- Raise half of the \$1.2M by June 2022 through the All-Hands-In \$400K effort, adding to the existing \$200K already raised.
- Gain monthly commitments to support a bank loan for the remaining funding.

All-Hands-In example below of fundraising pledges totaling \$400K: Individuals partner with us by committing to fundraise and/or gift to one of these levels. Of course, any donation of any amount is appreciated.

Summary

Since NWOCYC's inception 52 years ago, God has continually showered his abundant grace upon us as we labor for young people in Northwest Ohio and beyond. To continue for generations to come, we need you to become part of our Camp family, and partner with us to complete the new Dining Hall.

Ways To Support

- Pray for our campers, staff, and board
- ALL-HANDS-IN \$400K – host fundraising events in your hometown

Who We Are – Christian Outreach Camp

For 52 years, Northwestern Ohio Christian Youth Camp has been a “SAFE HOUSE” for souls seeking to meet or grow closer to the Father, find belonging, practice independence, and create Christian relationships.

The camp is governed by a Board of Directors representing Churches of Christ primarily throughout Northwest Ohio.

What We Do – Create Godly Connections

NWOCYC currently serves approximately 400 campers with 200 staff over 5 to 6 camp weeks per summer.

These weeks are led by volunteers including, a director, cabin counselors, nurses, cooks, handy-men, and teachers.

Activities each week include daily Bible lessons, multiple daily devotionals, singing, planned group activities, exercise, recreation, and congregate meals.

Why a New Dining Hall – Immediate Need

- The current Dining Hall was built in the 1940's and is deteriorating despite maintenance efforts.
- Safety: Basement. To have a place below ground for all campers and staff to gather during inclement weather.
- Expanding months of usage. A new dining hall with modern HVAC allows for use year-round, expanding our outreach capabilities.
- Health Regulations. Maintaining the kitchen facilities to keep in compliance with all rules and regulations continues to be challenging and costly.
- Kitchen Facilities. We need a commercial kitchen to better provide meals for our many campers and staff.
- Kitchen infrastructure and equipment need replaced. Current equipment is outdated.
- Multi-purpose building. The dining area, basement, and large porch will provide many opportunities for meals, fellowship, Bible study, and special events.

Building Plans

The camp Board has pursued a modest building, while assuring a modern, quality construction. The necessary funding amounts to \$1,200,000, the largest investment ever in the history of our beloved camp.

- 6000sqft Year-round facility will have central heat and air conditioning
- Accommodate dining for 200 people
- Kitchen and Restrooms
- Basement for shelter, canteen and game area
- Wood framing with metal siding and roof (best value materials)
